

MARRIGORRA

SECURITY SERVICES (PTY) LTD
COMPANY PROFILE

SECURITY PRESENCE • CONTROL • RESPONSE

COMMERCIAL | INDUSTRIAL | RESIDENTIAL | MINING

SECURITY IS NOT A LUXURY. IT IS A NECESSITY.

WHO WE ARE — BUILT TO PROTECT

Marrigorra Security Services (Pty) Ltd provides integrated security solutions designed to help protect businesses, employees, assets, customers and residential environments. Our approach combines disciplined security guarding, visibility, monitoring, patrols, specialist services and operational support.

Operating locally in South Africa, Marrigorra is positioned to provide practical, responsive security solutions tailored to the needs of each client and site.

Our company draws on the combined expertise of security personnel, including experienced former security-forces personnel, to provide a disciplined yet professional security presence.

All security guards are PSIRA registered and trained in guarding requirements, with management conducting regular and random site visits to monitor standards and operational performance.

OUR STANDARD

- Professional, disciplined and visible security presence;
- Practical security solutions tailored to each client's environment;
- Effective communication and operational coordination;
- Regular management oversight and site inspections;
- Integrated security capability across commercial, industrial, residential and mining environments.

WHY MARRIGORRA?

DISCIPLINE

Professional guarding and supervision

VISIBILITY

Marked vehicles, patrols and on-site presence

INTEGRATION

Guarding, monitoring, patrols, K9 and specialist support

A SECURITY GUARD MUST BE SEEN. A SECURITY STANDARD MUST BE FELT.

SECURITY GUARDING — VISIBLE. DISCIPLINED. READY.

Marrigorra can consolidate key elements of a client's security portfolio into a coordinated service designed to provide peace of mind and a professional security presence.

PSIRA-REGISTERED GUARDS

Security officers are PSIRA registered and trained in guarding requirements.

COMMUNICATION

Guards are issued with two-way radios and cellular phones to support effective communication while on duty.

OPERATIONAL EQUIPMENT

Depending on the site and client requirements, guards may be issued with O.B. books and approved defensive/security equipment.

MANAGEMENT OVERSIGHT

Regular and random site visits are conducted by management to monitor performance and standards.

MARKED RESPONSE PATROL VEHICLES

Company vehicles are sign-written and clearly marked to support visibility and client/customer safety.

SITE RESPONSE SUPPORT

On larger sites, panic buttons may be installed for quick armed-response support.

Our Security Environment

Our services are structured for the following sectors:

- Commercial
- Industrial
- Residential
- Mining

Mining Security Capability

Marrigorra has developed a training module specifically for the mining industry, based on in-depth risk analysis of the specialized environment. Our resources and operational capacity are designed to support integrated security requirements in demanding environments.

SPECIALIST SECURITY & INTELLIGENCE

Undercover / Informer Agent Services

Where requested by the client, Marrigorra can provide undercover/informer agent services intended to gather intelligence concerning potential internal or external threats, business processes, workforce perceptions and problematic areas.

These services are positioned as a specialist capability and can support clients where conventional guarding alone does not address the underlying risk.

Investigations & Special Operations

Marrigorra's operational expertise can also assist with investigations and special operations. Undercover operatives and on-site investigation/forensics teams are available where applicable and requested by clients.

Integrated Approach

Our sector specialists aim to provide practical security solutions based on operational experience, risk awareness and the requirements of the environment in which each client operates.

WHEN PRESENCE MATTERS, K9 CAPABILITY CHANGES THE EQUATION.

K9 SECURITY — DETERRENCE YOU CAN SEE

Marrigorra provides security dog rental services, including trained security dogs and dog handlers, supported by structured training, site documentation and ongoing evaluation.

K9 Services
